PERFECT FOR FEEDING ALL KOI:

APPLICATION:

Koi Mix OSW is a luxurious mix of three premium koi feeds. We have united all the best elements of our Orange, Spirulina and Wheat Germ in one mix. Thanks to this combination, Koi Mix OSW is rich in essential Omega-3 fatty acids, carotenoids and vitamin E and contains a natural prebiotic.

* Feed 2-4 times per day depending on fish size and water temperature and no more than the koi eat within 5 minutes.
Remove uneaten feed from the pond in case of overfeeding. At water temperatures below 10 °C koi have a reduced appetite and slow digestion, therefore feed accordingly. Don't feed koi if the water temperature is below 5 °C.
